OFFICIAL CENTENNIAL MARKS and USAGE GUIDELINES
for
Official Licensed Centennial Projects

Zeta Phi Beta Sorority, Incorporated (the “Sorority”) has initiated planning for its Centennial in 2020. “The Journey to Centennial” will consist of marks created for the exclusive use of approved licensees. These policies will apply to all marks/logos created by the Centennial Commission or other designated entities working under the auspices of the Centennial Commission (the “Centennial Marks”).

The Centennial Commission is an approved entity of the Sorority and has been charged with the execution of the 2020 Centennial.

To protect and preserve the historic legacy of the Centennial, the Sorority will enforce limited usage of the Centennial Marks. Usage of Centennial Marks in violation of these Official Marks and Usage Guidelines for Official Licensed Centennial Projects (these “Marks and Usage Guidelines”) will be subject to legal action to the full extent of the law.

OFFICIAL CENTENNIAL MARKS

Certain Centennial Marks are listed on Schedule 1 of this document and may be updated by the Centennial Commission from time to time in its sole discretion.

SORORITY USAGE OF THE CENTENNIAL MARKS

Members of the Sorority may only use the Centennial Marks after obtaining the permission of the Centennial Commission in writing. The Centennial Marks are not to be used in any form unless approved in writing by the Centennial Commission. This policy applies to individual members as well as organized groups within the Sorority.

OFFICIAL LICENSED CENTENNIAL PROJECTS

Members, Chapters, States, and Regions (“M/C/S/R”) are invited and encouraged to participate in the 2020 Visionaries Official Centennial Campaign (the “2020 Visionaries Program”) at either The Circle of Pearls level (\$5,000.00) or The Founders’ Society level (\$10,000.00). The Centennial Commission will approve a limited number of special projects that use one or more Centennial Marks, and all projects must be approved prior to production by the Centennial Commission. These projects will be referred to as “**Official Licensed Centennial Projects.**”

In each case, all proceeds from an Official Licensed Centennial Project must be contributed to the 2020 Visionaries Fundraising Campaign. The Centennial Commission developed the Official Licensed Centennial Project program as a way for

M/S/C/R to support the 2020 Visionaries Program by creating unique and creative projects *that do not directly compete with items ordinarily sold by licensed vendors.*

Visionary Commitment

Subject to the approval process described in these Marks and Usage Guidelines, M/C/S/R will be given the right to use the Centennial Marks on one or more products. All products that use Centennial Marks must be approved prior to production by the Centennial Commission, and all proceeds for the sale of the item(s) are required to be contributed to the 2020 Visionaries Program. If proceeds exceed the designated levels, the M/C/S/R is eligible to “gift” 2020 Visionaries Program recognition to a designated M/C/S/R of the Sorority. Each M/C/S/R will be required to provide an annual payment in the amount of at least \$1000.00 or \$2000.00 and will be required to provide accounting of all sales of items bearing Centennial Marks to the Centennial Commission. M/C/S/R can choose to pay the \$5,000 or \$10,000 commitment in full at any time.

PROCESS FOR APPROVAL OF OFFICIAL LICENSED CENTENNIAL PROJECTS

Approval of Usage – Centennial Commission’s Discretion

Official Licensed Centennial Projects can only be licensed and approved through the Centennial Commission. Limited approval will be given for use of the Official Centennial Logo, but other Centennial Marks that are to be used on creative and quality products will have a higher likelihood of approval. The Centennial Commission, in its sole discretion, will approve or deny all usage of the Centennial Marks.

The Centennial Commission will only approve Official Licensed Centennial Projects *that do not directly compete with items ordinarily sold by licensed vendors.*

Frequently Asked Questions for Official Licensed Centennial Projects

1. Will a M/C/S/R be required to participate for each of the five years beginning in 2015 to participate in the 2020 Visionaries Program through an Official Licensed Centennial Project?

Yes. The intent is that the partnership will span the 5 year Centennial Journey; however, the next question addresses M/C/S/R whose projects are approved after 2015.

2. Can a M/C/S/R begin an Official Licensed Centennial Project after 2015?

Yes. If you begin an Official Licensed Centennial Project after 2015, you will have to donate the amount required in previous years to “catch up” to the donation amount for the applicable level. Example, if M/C/S/R requests permission in 2017, they will have to meet the appropriate 2020 Visionaries Program giving level from 2015-2017 so a minimum of \$3000 would be required. See chart:

The Founders’ Society contributions are encouraged to be paid on a monthly or quarterly basis; however, at a minimum all payments must be made set forth below, with prepayments being acceptable. For purposes of this section “AD” means the anniversary of effective date of the Project Agreement):

3. What are the donation levels required of a M/C/S/R in exchange for recognition as an Official Licensed Centennial Project?

The Circle of Pearls (\$5000) or The Founders' Society (\$10,000). If the M/C/S/R does not meet the minimum giving level, it will be recognized at the appropriate giving level in the 2020 Visionaries Program.

4. What happens if an Official Licensed Centennial Project fails to meet their commitment by failure to donate the annual minimal contribution amount?

If the M/C/S/R does not meet the minimum giving level, it will be recognized at the appropriate giving level in the 2020 Visionaries Program.

5. How must proceeds in excess of \$5000 or \$10000 be utilized?

All proceeds from Official Licensed Centennial Projects must be donated to the 2020 Visionaries Program. The M/C/S/R can apply the excess amount to a higher donation level or the excess funds can be "gifted" to a named M/C/S/R at The Circle of Pearls level or The Founders' Society level. These gifts must in increments of \$5000 or \$10000. If the M/C/S/R reaches \$5,000 or \$10,000 and does not believe that the Project will make enough money to contribute at least another \$5,000, the project must stop.

6. When will the license for the Official Licensed Centennial Project be released to the applicable M/C/S/R?

Upon execution by the Sorority and the M/C/S/R of the Project Agreement. If applicable, the Centennial Mark(s) provided to the M/C/S/R must not be shared or utilized in any way except as specifically approved by the Centennial Commission.
